Sport in the
Olympic programme

To: Dr Sanda CORAK
President
Croatian Judo Federation

Budapest, 5 August 2024

Dear President CORAK,

Dear Sanda,

The Olympic Judo competition in Paris brought together 378 athletes across 122 countries in their quest for excellence, resulting in widest spread of gold medals ever recorded in history proving the universality of Judo, 26 countries winning medals out of which 11 countries won Gold. The Judo Family has exemplified the true spirit of unity, solidarity and excellence despite the numerous challenges. This momentum is the result of the diligent joint work and dedication of all national federations, continental unions, event organisers, sponsors, coaches, athletes and the IJF team.

On behalf of the International Judo Federation (IJF), we are delighted to extend our warm congratulations to you, your federation, athletes and coaches on your exceptional performance and passion. Your hard work and skill have led winning 1 Gold Medal for Croatia during the Paris 2024 Olympic Games. Croatia has reached in the standings, position number 9.

Together, we witnessed an extraordinary level of judo and saw motivated judo heroes and rising stars who have marked history and created a lasting legacy in our sport, cheered on by an enthusiastic public in a fully packed arena. We hope that these achievements will inspire the younger generation, serving as role models and contributing to the development and recognition of judo around the world.

Thank you for the participation, the effort and passion invested in developing these outstanding athletes. We wish you and them all the best for the future and many more accomplishments to come!

Congratulations and best regards,

Vlad Marinescu
